INTER-OFFICE
CORRESPONDENCE

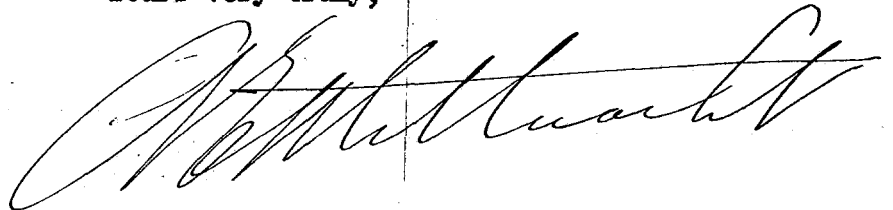

Dr. R. A. Kehoe,

Dear Dr. Kehoe:

Jack Durham reports to me that the Farmington installation of the Continental Oil Company does not in every way meet our specifications. He is after them vigorously on this matter and states that he expects to get the required changes accomplished in the near future.

I am dropping you this line so that you may know we appreciate this situation and are getting after it without delay.

Yours very truly,

C:C
