

E. I. DU PONT DE NEMOURS & COMPANY
INCORPORATED

OLD HICKORY PLANT
OLD HICKORY, TENNESSEE

TEXTILE FIBERS DEPARTMENT

August 20, 1968

TO: C. A. D'ALONZO, M. D.
WILMINGTON

FROM: H. D. MURRAY, M. D.

Enclosed find list of Old Hickory employees apt to be exposed to asbestos dust. I hope this meets your requirements.

I would like to mention that one of our old-time insulators developed cancer of the lung almost exactly one year after retirement at age 65. We are also processing another insulator's disability pension who happens to be in his 65th year. This latter individual becomes acidotic on the very slightest exertion with his markedly impaired pulmonary function. Both of these developments post-date my summary of a few years ago.

 H. D. MURRAY, M.D.
MEDICAL SUPERVISOR
OLD HICKORY TEXTILE FIBERS

INSULATORS

Reference: Your Request of August 6

These employees (Insulators and Insulator Trainees) are regularly working with thermal insulation and may at times be exposed to asbestos dust.
