Dear Mr. Lewis:-

I have received your letter of March 18th with its enclosure of a second letter from Mr. D. H. Lee of the Reliance Oil Company in Pittsburgh. My reply to Mr. Lee's letter was delayed by reason of my trip to the West Coast and to Houston, but I wrote him some days ago and I expect to have an answer from him in the near future. Cases of this type do not justify a trip on our part for an examination of the injured person since they can be handled through correspondence with the patient's physician.

Very truly yours,

RAK:ls
