

1 A Yes, sir.

2 Q Sir?

3 (Whereupon, laughter ensued.)

4 BY MS. TOSTANOSKI:

5 Q Would it appear from your review of the
6 medical records, I know I remember at least one record
7 where Dr. Heyman had an extensive discussion of the
8 staining of the mesothelioma, that he was familiar
9 with the disease process and how to diagnose it?

10 A Yes, sir.

11 MR. IGNATOWSKI: Objection.

12 THE COURT: Overruled.

13 A It appeared that he had some familiarity
14 with mesothelioma.

15 Q Okay. How about, do you know Dr. Richard
16 Jones?

17 A No, sir, I don't.

18 Q Do you recognize his name as the pathologist
19 from the Carroll County Hospital?

20 A Yes, sir, I saw his name on the report.

21 Q And back in 1980 he made the same diagnosis
