Dr. Henry S. Thompson,  
Medical School,  
Harvard University,  
Boston, 17, Mass.

Dear Dr. Thompson:

I have your letter of November 20 in regard to continuance of our subscription to the Harvard School of Industrial Hygiene. We shall be very glad to continue the payments for three more years.

In regard to the lead investigation, I should like to know what the results of this research have been. If any literature has been published I should like to have a number of copies to distribute among the persons who contributed to the expense.

Yours very truly,

President.
