Subject: Victims of Green Crimes Ask for Equal Time w/ Scott Pruitt

Hello Jahan Wilcox:

Juliet Eilperin & Brady Dennis reported yesterday Scott Pruitt will be in SC next week giving a keynote to the American Chemistry Council:

https://www.washingtonpost.com/news/energy-environment/wp/2017/11/02/epas-pruitt-and-staff-to-attend-meeting-at-luxury-resort-next-week/?utm_term=.12af65785d47

I have been trying for over nine (9) months to meet with EPA in the same fashion that industry personnel have been accommodated.

Ex. 6

Ex. 6 I feel that envirovictims are experiencing discrimination by Pruitt and the EPA staff. I want to express that green crimes sanctioned by EPA that encourage personnel to manipulate data which fails to remove citizens from environmental hazards is against the law.

I will be in South Carolina next week when Pruitt and his EPA entourage are meeting with the American Chemistry Council. Can he accommodate me at that time?

Thank you,

Jill Jennings-McElheney
