Subject: Meeting request

Hi David,

I hope this note finds you well amidst the shut down and leadership changes.

I'm reaching out today to set up a follow up a meeting with you on behalf of the Pebble Partnership regarding the issues we discussed at our prior meeting, the latest issues regarding the 404c veto, and to discuss the upcoming draft EIA from the U.S. Army Corps of Engineers.

Tom Collier, CEO of the Pebble Partnership, will be in Washington, DC the week of January 28 through February 4th. Also attending the meeting with Tom and I will be Peter Robinson on the Pebble team who is based here in DC. I understand there may be scheduling challenges due to the shutdown and your "Acting" duties, but please do let me know if you would be available for such a meeting on the dates listed above.

We very much appreciate your continued consideration of Pebble's earnest efforts to get through the permit process in a fair manner. I look forward to seeing you soon.

Best, Richard

Richard Pombo
