C* Project Title (Max Length 200):

Initial Award UNITE-EJ: United Network for Impact, Transformation, and Equity in Environment

C* Description:

The recipient, Climate Justice Alliance will fund a range of environmental project activities for periods of up to 3 years with the support of their statutory partners. The grantmaker, Climate Justice Alliance (CJA) and their Statutory Partners are collectively referred to as UNITE -EJ. Because the 3-year performance period is a statutory requirement, the grantmakers have been provided with two 36 month timelines to 1) to stand up their subaward programs within the timeframe of the Initial Award and 2) distribute the subawards in a time efficient manner within the 36 month timeline of the Subsequent Award.

UNITE-EJ (United Network for Impact, Transformation, & Equity in Environmental Justice Communities) is comprised of 9 partners: Climate Justice Alliance, The Chisholm Legacy Project, NDN Collective, Fund for Frontline Power Governing Body, JustFund, Amalgamated Foundation, Tishman Environment & Design Center at The New School, Center for the Urban Environment at Kean University, and COTA Collective. UNITE-EJ serves as the National-West Thriving Communities Grantmaker and was selected to receive \$50 million in a bifurcated award, the Initial award is for \$11,967,248.00 million, when the Initial Award milestones are reached the Subsequent award will be made for \$38,032,752.00.

With the initial award (5/1/24 to 4/30/27), UNITE-EJ will focus on designing and setting up all systems needed to: launch an RFP; receive/track/review applications and reports; make grants; communicate with subrecipients on award, compliance, and drawdown system; and implement feedback surveys.
