Dr. Leroy U. Gardner  
Saranac Laboratories,  
Saranac Lake, N.Y.

Dear Dr. Gardner:

I wanted to discuss yours of October 24th with Page Woodard and, as he was away for about two weeks at the time it arrived, I did not get an opportunity until last Friday.

While I feel confident that John-Manville will be able to assist you to some extent, there are some matters which Page and I would like to discuss with you preliminarily. If the matter is not one of too great urgency, I would suggest that we get together for a few minutes on the next occasion you are in New York.

Sincerely,

Vandiver Brown,  
Secretary.
