Dear John:

I have your letter of April 2nd relative to banding of wallboard shipments into Pocatello, Idaho. I do not recall discussing this matter with Joe or anyone else. I have checked with Bob Sikes and Ed Fatz and also with Bill Richards at the plant. No one recalls discussing this matter.

Bestwall is not banding any board out of Sigurd into the Idaho area except for 12' or longer board which is standard for all accounts at all plants.

Bestwall cannot band all board shipments for Johns-Manville shipments to the accounts listed in your April 2nd letter.

Very truly yours,

BESTWALL GYPSUM COMPANY
