RE: Albright, et al v. HNA Holdings, Inc., et al

Dear Barry:

Enclosed herein you will find a number of documents we received from the Defendant, Hoechst Celanese. These documents came from their corporate "asbestos" file in New York as kept by their corporate industrial hygienist, Mr. Chuck Laubly. The documents are quite interesting and include a 1974 meeting in Los Angeles attended by Dr. Selikoff and others. The articles also contains some information of the day regarding insulation worker exposure to asbestos.

Very truly yours,

WALLACE and GRAHAM, P.A.

Christopher D. Mauriello, Esq.
