Following up with a more specific time after checking with the NPT team... How about 3 PM on January 18? Thanks. Neal

Aurelia great to connect last week & thanks again for sharing your insights with the group at Hunton. Will look forward to staying in touch!

As discussed, I'd like to find a time next month to connect you with the executive director of the [National Park Trust](#), which works to preserve park land for the NPS and bring kids to the parks.

I'm on the board of NPT and think our mission is really well aligned with your office's mission. Thanks for considering.

Best,
Neal
