General Conway,

I apologize for the late response, but thank you so much for sending this on! I will mention it to Administrator Pruitt and it's something I think he'd like to see.

Thanks again and we look forward to being in touch.

Best,

Samantha

Hi Samantha,

Could not find the exact article I saw last year -- but this one is close. I will say that it appears we have "slipped" in more recent rankings, but we are still very good.

That said, I apologize for not giving the Administrator up to date figures.
