crossed the billion dollar mark. It took Fresno the full year and a record performance last year to reach that mark.

Building, despite shortages, far outstripped last year's activity. Permits issued, in spite of restrictions, more than quadrupled those of last year on the average for the last nine months. Farm income was running ahead of last year at latest reports, except in Utah. Total employment compared with the best on records for war or peace, running ahead in California on the basis of Governor Warren's report. Production marks in the significant power, oil and lumber industries were far ahead of a year ago, and so were retail trade figures.

To flavor soup with onion or other seasonings without adding them to the pot, drop a tea ball holder filled with the seasoning or spice into the soup.
