June 3, 1974

Mr. T. J. McGrath  
The Society of The Plastics Industry, Inc.  
250 Park Avenue  
New York, New York 10017

Dear Mr. McGrath:

We have completed a material balance sheet for the General Tire  
PVC Plant at Ashtabula, Ohio.

## Summary

|                    |           |
|--------------------|-----------|
| MVC Losses         | 1.05%     |
| PVC Losses         | 1.70%     |
| Unaccounted Losses | 0.25%     |
| <br>Total Loss     | <br>3.00% |

There are several problems with downwind air results, namely  
wind velocity and turbulence. The results are the best we can  
obtain in the limited time.

Very truly yours,

GENERAL TIRE & RUBBER COMPANY
