Commitment Form

My company commits its pro-rata share of \$300,000 research and advocacy budget as described in the attached July 5, 1994 Explanation of VCRC Budget. The Vinyl Chloride Panel is conducted under the policies and procedures outlined in the CHEMSTAR Panel Guidelines and briefly noted on the reverse of this form.

While appreciating the opportunity, my company declines to participate.

CMA has estimated that 16% of the total CMA 1994/95 fiscal year "dues and similar income", which includes CHEMSTAR contributions, is allocable to lobbying and political expenditures to which Section 162 (e)(1) of the Internal Revenue Code of 1986, as amended, applies. Consequently, this portion of your commitment is not deductible as an ordinary and necessary business expense for federal income tax purposes. Further, contributions to CMA are not tax deductible as charitable contributions.
