Sounds great. Also, my cell is Ex. 6 Personal Privacy (PP) if easier to call or text.

Gerardo is speaking on how chemistry will address power demand for AI and data centers tomorrow at 3:30 pm in the agora, if anyone wants to listen in!

And talk about crazy day - great work and really great to see the Agency work to address these rules! Congratulations on your role in all of that!

Hey sorry, we had a crazy day. I am not in Houston this week. As of now we are tracking for the administrator to be there Friday. How long will you and your president be there?

Hi Mike –

Are you in Houston for CERAWeek? If so, our President is here, and I would really appreciate the chance to introduce you to him. Looking forward to connecting!

Thank you,
Mary
