Re: Alice L. Warren v. The Dow Chemical Company, et al.;
U.S.D.C., Civil Action No. 89-30201F

Dear John, Judy & Mary:

In my last letter to you, I do not believe I included B.F. Goodrich's actual responses to plaintiff's request for production of documents. Accordingly, enclosed are B.F. Goodrich's responses, along with the remaining documents produced.

Please note that other than the February 15, 1974 statement by B.F. Goodrich's President, the documents relating to B.F. Goodrich's internal health investigations and B.F. Goodrich's internal safety practices, none of the documents contain much new information. In fact, many of the documents have already been produced by Union Carbide or Dow.

Very truly yours,

Susan P. Ritter
