To Members of the Lead Industries Association
Manufacturing Sheet Lead:

Subject: Lead Shower Pan Folders

We now find that it may be advisable for us to order a new supply of the leaflets on shower pans which we recently published, a copy of which is attached.

Before ordering a new printing, we should like to know whether any of our member companies would like additional copies for their own use, as these can be supplied more economically if printed at the same time our own supply is printed.

We will be able to supply you with additional copies at a cost to you of \$1.14 per hundred. If you would like to have these imprinted with your name and address, it can be done at an extra charge of \$1.35 per thousand, or fraction thereof, and 90 cents for additional thousands.

If you would like to have us print some additional copies for you, will you please let us know as soon as possible the quantity you will require and also whether you will want them imprinted or not. If you want them imprinted, please advise us exactly how your imprint should appear.

Yours very truly,

Secretary.
