Sorry for the delay!

Attending will be:
Bruce Culpepper
President of Shell Oil Company

Krista Johnson
Director of Federal Relations, Shell Oil Company

Michael Henry
Executive Vice President, Alpine Group

As I mentioned, the purpose for this meeting is largely to thank the Secretary for all of his efforts as Mr. Culpepper transitions out of Shell's country chair. Issues that could come up, include:

Eastern Gulf of Mexico (EGOM);
The importance of opening new areas to increase production; *and*
Gratitude for efforts to improve the regulatory climate.

Please don't hesitate to come back if you need anything from me in advance of Wed.

Thank you!

Mike

Ms. Gelto-

I am writing, per Kate's (copied) recommendation, to inquire if the Secretary has time to meet with Bruce Culpepper on Wednesday, September 26? Mr. Culpepper is Shell Oil's President he has been the head of US operations, but is transitioning to retirement. I understand that he and the Secretary know each other.

The purpose of the meeting is to thank the Secretary for all he has done and discuss the hand off of authorities/issues as Shell transitions to a new head of US operations.

Kate indicated that next week was especially challenging for the Secretary's calendar, but that I should reach out to you. Also, should next week not work out, perhaps we could try to arrange time next month when the Secretary travels to Louisiana?

Thank you in advance for your assistance!
