Re: Alice L. Warren, Administratrix v. The Dow Chemical
Company, Union Carbide, et al., C.A. No. 89-30201F

Dear Keith:

As a follow-up to our conversation today, please confirm by tomorrow whether you will produce all of Mrs. Warren's diary entries. I note again that plaintiff has already agreed to do so in her responses to Union Carbide's, Dow's and Conoco's document requests, and I do not understand why there is a sudden decision on your part to withhold these documents.

If I do not hear from you by tomorrow, I will press forward with a motion to compel.

Very truly yours,

Susan P. Ritter
