Re: Nevada Power Co. v. Monsanto Co., et al.

Dear Tom:

Enclosed is a copy of the second set of documents and two videotapes which EPRI has produced to the defendants pursuant to their subpoena. These documents are numbered EPRI0001969-7702, videos are numbered 7703 and 7704.

Because the volume in this second set is so much greater, the associated photocopy expenses are greater. Accordingly, EPRI has incurred photocopy expenses of \$859.95 in producing this set to you. We have produced the videos at no cost to your client.

Please arrange to have a check payable to EPRI forwarded to my attention as soon as possible. Please call me if you have any questions.

Very truly yours,

Victoria E. Brieant
