Byron,

It was nice to meet you today. The link to Florida's thinking is below.

If you loop in Cindy and David – this weekend I will find and send around the link to the actual road that they built as a test.

Best,

Mr. De Jong – We wanted to follow up on our recent discussion about the Mississippi Phosphates site. We would like to report back on the questions we discussed. You indicated you might be in DC later this week, but we could talk by phone if that is more convenient. Let me know your availability. Thanks. - Byron
