

For OXIDES OF LEAD

and other lead pigments, get in touch with us. Let us quote on your requirements.

Our red-lead, litharge, orange mineral, basic lead sulphates and lead acetates can be relied upon for purity and uniformity. These materials are maintained at their high standard by constant laboratory testing and research. And many years of experience in manufacturing stands back of them as a guarantee of quality.

With branches and warehouses in all parts of the country we can give prompt shipment on your orders. The branch nearest you will be pleased to quote prices and submit samples.
