Subject: In Case You Missed it: Qlik Federal Summit Highlights

Dear Ryan,

Earlier this month, Qlik hosted our annual Federal Summit. It was a great event, and I wanted to make sure you saw this recap. It covers some of the highlights from the event:

Also, we're hosting a follow-up webinar on July 11th to share highlights from the event and unveil a few new applications that have been developed to support Federal mandates such as workforce planning and the Data Act: [Qlik Federal Webinar](#).

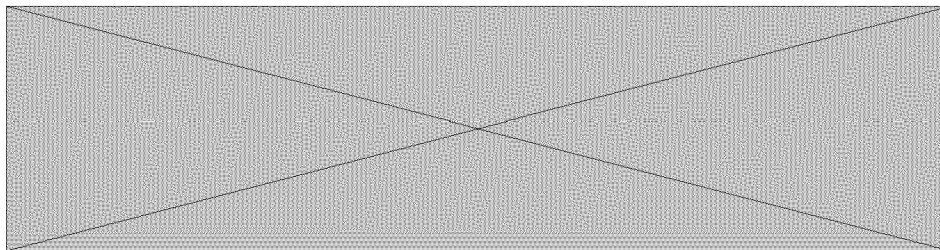

Please contact us at unclesam@qlik.com if there is anything we can do to support you.

Sincerely,

Monica McEwen

Vice President, Federal
