June 4, 1932.

Petroleum Casualty Company,
Humble Building,
Houston, Texas.

Attention: Mr. R. L. Eckman

Dear Sir:

Dr. R. A. Kehoe of Cincinnati, Ohio, has forwarded to us your letter of May 31st addressed to him regarding the settlement of the [REDACTED] case.

In compliance with the statement made by Dr. Kehoe to your Mr. Gilmore and the settlement referred to in your letter, we enclosed herewith our check for \$1,013.65.

As a further support for the records of our accounting department, we would appreciate your sending us a copy of the general release or such other paper or papers as you may have obtained in connection with the settlement.

I wish to assure you that we were glad to cooperate with you in the case, and although there was in our opinion no traceable connection between Ethyl and Mr. [REDACTED] affliction, nevertheless we realize that some clever physician and/or lawyer might have injected just enough to have had it submitted to a jury, the results of which are of course always uncertain.

Very truly yours,

E. W. Webb
