LUSTRELAC 4 HOUR ENAMEL is  
as magical as the magician's  
wand. It will transform old,  
cast-off furniture. It will make  
dreary, gray furniture into color-  
ful, gay moderns.

Lustrelac goes on easily. It dries  
quickly. Its gay colors are in  
step with the times—almond

green, Indian purple, golden  
glow, Peking blue and others.

How to paint with Lustrelac,  
how to harmonize color group-  
ings, how to rejuvenate old fur-  
niture is all very pleasingly and  
colorfully described and illus-  
trated in "Color Harmony in  
the Home, Booklet 4." Write  
for it. Just send your name and  
address to the National Lead  
Company of California, 2240-  
24th Street, San Francisco. Then  
come to us for your paints.
