

Attachment-1 Non-exhaustive list of applications (non-confidential)

Location	Target parts (big)	Target parts (middle)	Target parts or materials	Related Sectors
Body and hood	Throttle position sensor	sensor	Resin parts (insulators for wiring harnesses)	Electronics and semiconductors; transport
Body and hood	Throttle position sensor	Resin parts	sealant	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	Resin parts (insulators for wiring harnesses)	Electronics and semiconductors; transport
Body and hood	bearing	-	Bearing grease for THR	transport lubricant
Body and hood	Starter bearing	Seal (FKM)	-	Transport
Body and hood (powertrain system)	Diesel Injection Pumps	thermoelement	Sheet (FKM)	Transport
Body and hood (powertrain system)	O2 sensor	wire	Heat shrinkable tubing (PVDF)	Transport
Body and hood	Solenoid valve	O-Ring	rubber	Transport
Body and hood (powertrain system)	injector	leadwire	Wire coating (ETFE)	Transport
Body and hood (powertrain system)	Vacuum sensor	Thermistor wire	Wire coating (ETFE)	Transport
Body and hood	harness	powercable	Lead wire (ETFE)	Transport
Body and hood	LED controller, levelizer, car	Cables, wires and cables	resin	Transport
Body and hood	roof rail	screw	coating material	Transport
Body and hood	Throttle position sensor	sensor	Resin parts (insulators for wiring harnesses)	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	Paint (paint for wire harnesses)	Electronics and semiconductors; transport
Body and hood	Sealing parts	rubber valve	Coating material for sealing valves	transport lubricant
Body and hood	purge pump	O-ring	rubber	Transport
Body and hood	canister	O-ring	rubber	Transport
Body and hood	Active Bonnet Cylinder	O-ring	rubber	Transport
Body and hood	Active hood gas actuator	O-ring	rubber	Transport
Body and hood	compressor	Pistons, etc.	coating	Transport
Body and hood (powertrain system)	O2 sensor	nipple	cap	Transport
Body and hood (powertrain system)	Water Level Switch	-	Insulator (FEP)	Transport
Body and hood (powertrain system)	ISCV (Intake Air Control Valve Actuator)	-	coating	Transport
Body and hood	compressor	inverter	Insulation Tubing	Transport
Body and hood (powertrain system)	air cleaner	Temperature sensor	tube	Transport
Body and hood (powertrain system)	Oil level switch	Heat Shrink Tubing	-	Transport
Body and hood (powertrain system)	Water temperature sensor	tube	-	Transport
Body and hood (powertrain system)	Oil level switch	wire	insulation	Transport
Body and hood	accumulator	Accumulator piston section	oil level gauge	Transport
Body and hood	harness	powercable	Heat shrinkable tubing (FEP)	Transport
Body and hood	-	O-ring	Rubber materials for sealing valves	Transport
Body and hood	-	O-ring	Rubber materials for purge pumps	Transport
Body and hood	-	O-ring	Rubber materials for canisters	Electronics and semiconductors
Body and hood	Throttle position sensor	sensor	Resin parts (insulators for wiring harnesses)	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	Resin parts (wiring harness covering)	Transport
Body and hood (powertrain system)	air cleaner	filter	Adhesive (PAA)	Electronics and semiconductors
Body and hood (powertrain system)	VSV (Vacuum Switching Valve)	-	Diaphragm (FVMQ)	Transport
Body and hood	EGR valve	seal	rubber	Transport
Body and hood	Solenoid valve	O-Ring	rubber	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	adhesive	Transport
Body and hood	Position detection switches (e.g., hood open/close)	switch	painting material	Electronics and semiconductors; transport
Body and hood (powertrain system)	Throttle position sensor	O-ring	rubber	Transport
Body and hood	corner sensor	Ultrasonic Sensor	Lacquer, ink	Transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	Resin parts (rings)	Transport
Body and hood	EGR valve	O-ring	rubber	Transport
Body and hood	Position detection switches (e.g., hood open/close)	switch	grease	Lubricants; Electronics and semiconductors; transport
Body and hood	bearing	-	Bearing grease for purge pump	transport lubricant
Body and hood	bearing	-	Bearing grease for THR	transport lubricant
Body and hood	axis	Shaft of Butterflap Valve	Coating material for shafts for exhaust flow switching valves	transport lubricant
Body and hood	bearing	-	Grease for CNG carburetor	transport lubricant
Body and hood	bearing	-	Grease for sealing valve	transport lubricant
Body and hood	bearing	-	Grease for THR motors	Transport
Body and hood	EGR valve	oil seal	grease	Lubricants
Body and hood (powertrain system)	throttle body	ball bearing	grease	Transport, Lubricants
Body and hood (powertrain system)	ISCV (Intake Air Control Valve Actuator)	-	grease	Transport, Lubricants
Body and hood (powertrain system)	TGV (Tumble Generator Valve)	-	grease	Transport
Body and hood	Electronically controlled throttle body	bearing	grease	Transport
Body and hood	EGR valve	bearing	grease	Transport
Body and hood (powertrain system)	Vacuum sensor	O-ring	rubber	Transport
Body and hood	elbow	sealant	PFA	transport lubricant
Body and hood	axis	Shaft of Butterflap Valve	Coating of THR shafts	Transport
Body and hood	axis	Shaft of Butterflap Valve	Coating material for shafts for carburetors	transport lubricant
Body and hood	axis	Shaft of Butterflap Valve	Coating material for intake valve shafts	transport lubricant
Body and hood	diaphragm	axis	Coating material for mechanical actuator rods	transport lubricant
Body and hood	diaphragm	E-ring	Coating material for link plates for mechanical actuators	transport lubricant
Body and hood	diaphragm	link pin	Coating material for link pins for carburetors	transport lubricant
Body and hood	washer	-	Coating material for THR washers	Transport
Body and hood (powertrain system)	ISCV (Intake Air Control Valve Actuator)	shaft	PTFE	Transport
Body and hood	compressor	Pistons, etc.	coating	Transport
Body and hood	water repellent membrane	-	ECS Coating Materials	transport lubricant
Body and hood	bearing	-	Grease for THR motors	Transport, Lubricants
Body and hood	EGR valve	oil seal	grease	Transport, Lubricants
Body and hood	water pump	oil seal	grease	Transport, Lubricants
Body and hood (powertrain system)	throttle body	Eulless bearings	lubricating oil	Transport, Lubricants
Body and hood (powertrain system)	Diesel Injection Pumps	O-ring	Teflon coating	Transport, Lubricants
Body and hood	EGR valve	Bush-brush bearings	grease	Electronics and semiconductors; transport
Body and hood (powertrain system)	Vacuum sensor	O-ring	rubber	TransportConstruction products
Body and hood	harness	connector	coating	Transport
Body and hood (powertrain system)	Diesel Injection Pumps	O-ring	rubber	Transport
Body and hood (powertrain system)	injector	O-ring	rubber	Transport
Body and hood (powertrain system)	Vacuum sensor	O-ring	rubber	Transport
Body and hood (powertrain system)	VSV (Vacuum Switching Valve)	O-ring	rubber	Transport
Body and hood (powertrain system)	EGR valve	core-valve	-	Transport
Body and hood (powertrain system)	O2 sensor	wire	bush	Transport
Body and hood (powertrain system)	A/F Sensor	wire	Heat Shrink Tubing	Transport
Body and hood (powertrain system)	Diesel Injectors	wire	outerskin	Transport
Body and hood	Electronically controlled throttle body	bearing	rubber	Transport
Body and hood	Motor for electric power steering	O-ring	rubber	Electronics and semiconductors; transport
Body and hood	Throttle position sensor	sealant	-	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sealant	-	Transport
Body and hood	EGR valve	O-ring	rubber	Transport
Body and hood	drain plug	O-ring (FKM)	-	Lubricants
Body and hood	compressor	nameplate	adhesive	Transport, Lubricants
Body and hood (powertrain system)	Diesel Injection Pumps	governor	diaphragm	Transport
Body and hood	compressor	grommet	-	Transport
Body and hood (powertrain system)	Vacuum controller	diaphragm	-	Transport
Body and hood (powertrain system)	VSV (Vacuum Switching Valve)	diaphragm	-	Transport
Body and hood (powertrain system)	EGR valve	gasket	-	Transport
Body and hood	intercooler	packing	-	Transport
Body and hood	EGR	diaphragm	diaphragm	Transport
Body and hood	EGR	diaphragm	Vent valve	Transport
Body and hood	corner sensor	Ultrasonic Sensor	lacquer ink	Transport
Body and hood	pressure sensor	Sensor chip protection	fluoroelastomer	Lubricants
Body and hood	bearing	-	THR grease	Transport
Body and hood	adhesive	-	Pressure sensor adhesive	Lubricants
Body and hood	water pump	oil seal	Grease for sealing parts	Lubricants
Body and hood (powertrain system)	Intake air valve control	rod	(PA66)	Transport
Body and hood (powertrain system)	throttle body	gear	(PA6T/XT)	Transport
Body and hood (powertrain system)	Exhaust control actuator	gear	(PA6T/XT)	Transport
Body and hood (powertrain system)	EGR valve	insulation collar	(PTFE)	Transport
Body and hood (powertrain system)	VCT (Variable Cam Timing)	bearing	filler (for making plastic, rubber, etc.)	Transport
Body and hood (powertrain system)	Diesel Injection Pumps	bearing	Coating (PTFE)	Transport
Body and hood (powertrain system)	water hose	clip (paper, surgical, etc.)	coating	Transport
Body and hood (powertrain system)	VSV (Vacuum Switching Valve)	-	adhesive	Transport
Body and hood	-	fuel filter	Sealer (FKM)	Transport
Body and hood	harness	connector	coating	Transport
Body and hood	-	fuel filter	Sealer (FKM)	Transport
Body and hood	radiator	Blower motor	wire cable	Transport
Body and hood (powertrain system)	Diesel Injectors	wire	Wire Coating	Transport
Body and hood	Accumulator piston section	seal ring	-	Transport
Body and hood	motor generator	separator	? (ETFE)	Additive
Body and hood	compressor	Thrust bearing	coating	Transport
Body and hood	compressor	Pistons, etc.	coating	Transport
Body and hood (powertrain system)	O2 sensor	wire	Wire coating (PTFE)	Transport
Body and hood	Various ECUs	Tantalum electrolytic capacitor	Anode Components	Transport
Body and hood (powertrain system)	ISCV (Intake Air Control Valve Actuator)	-	grease	Transport, Lubricants
Body and hood (powertrain system)	TGV (Tumble Generator Valve)	-	grease	Transport, Lubricants
Body and hood (powertrain system)	Cruise control trcaou	-	grease	Transport, Lubricants
Body and hood (powertrain system)	VSV (Vacuum Switching Valve)	-	coating	Transport
Body and hood (powertrain system)	Air Conditioner Bivalve	-	coating	Transport
Body and hood	magnetic clutch	rubber hub	Paint (for spraying)	Electronics and semiconductors

Body and hood	throttle body	bearing	grease	TransportConstruction products
Body and hood	Air flow sensor	Electronic Components	resin	Transport
Body and hood	throttle body	Valves, Holders	resin	Transport
Body, hood, etc. (inside the car)	Control Unit for Electric Power Steering	Electronic Components, Filters	resin	Transport
Body and hood	Motor for electric power steering	Steel parts	coating	Transport
Body and hood	EV/HEV auxiliary equipment and LED controller	Resin caps and labels	Resins and Inks	Transport
Body and hood	water pump	oil seal	grease	Transport, Lubricants
Body and hood	EGR valve	oil seal	grease	Transport, Lubricants
Body and hood	Exterior Products	Front Area Products	RADIATOR GRILLE in grill (surface treatment)	Lubricants
Body and hood	Tire Pressure Monitoring System Unit	(power) transformer	Resin parts (tubes)	Electronics and semiconductors; transport
Body and hood	Tire Pressure Monitoring System Unit	switch	Resin parts	Lubricants; Electronics and semiconductors; transport
Body and hood	Position detection switches (e.g., hood open/close)	switch	tape	Electronics and semiconductors; transport
Body and hood	Throttle position sensor	sensor	painting material	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	painting material	Electronics and semiconductors; transport
Body and hood	Position detection sensor (brake pedal sensor)	sensor	tape	Electronics and semiconductors; transport
Body and hood	Tire Pressure Monitoring System Unit	switch	painting material	Electronics and semiconductors; transport
Body and hood	Tire Pressure Monitoring System Unit	switch	grease	Electronics and semiconductors; transport
Body and hood	Position detection switches (e.g., hood open/close)	switch	painting material	Electronics and semiconductors; transport
Body and hood	Position detection switches (e.g., hood open/close)	switch	Resin parts (slider)	Electronics and semiconductors; transport
Body and hood	Throttle position sensor	sensor	tape	Electronics and semiconductors; transport
Body and hood	bearing	-	Bearing grease for purge pump	transport lubricant
Body and hood	diaphragm	E-ring	Coating material of link plate for intake valve	transport lubricant
Body and hood	bearing	-	Grease for idle adjustment valve bearings	transport lubricant
Body and hood	axis	Shaft of Butterflap Valve	Coating material for shafts for THR	transport lubricant
Body and hood	bearing	-	Grease for sealing valve	transport lubricant
Body and hood	LPG Regulator	O-ring	Rubber materials	transport lubricant
Body and hood	CNG Regulator	O-ring	Rubber materials	Transport
Body and hood	Resin Case	-	FPC resin materials	Transport
Body and hood	logo	painting material	CNG Regulator Logo Printing Ink	Transport
Body and hood	bearing	-	Bearing grease for THR	Lubricants
Body and hood	water repellent membrane	-	Coating material	Transport
Body and hood (powertrain system)	Diesel Injection Pumps	An armature guide	Coating (PTFE)	Transport
Body and hood	compressor	oil seal	seal	Transport, Lubricants
Body and hood (powertrain system)	EGR valve	Resin Gears	-	Transport
Body and hood (powertrain system)	Diesel pressure sensor	housing	sealant	Transport
Body and hood (powertrain system)	Diesel Injection Pumps	screw	sealant	Transport
Body and hood	Control Unit for Electric Power Steering	filter	resin	Transport
Body and hood	Control Unit for Electric Power Steering	Fastening parts	adhesive	Transport
Body and hood	throttle body	Copper parts	coating	Lubricants; Electronics and semiconductors; transport
Body and hood	Tire Pressure Monitoring System Unit	body(of amachine)	Resin parts (panel)	Electronics and semiconductors; transport
Body and hood	adhesive	-	PCV Adhesives	transport lubricant
Body and hood	bearing	-	THR grease	transport lubricant
Body and hood	axis	Butterfly valve shaft	Coating material for intake valve shafts	Transport
Body and hood	vacuum pump	-	Resin material	Transport
Body and hood	bearing	-	Resin material for CNG regulator	transport lubricant
Body and hood	diaphragm	-	Canister coating materials	Transport
Body and hood	housing	-	Resin material for thermostats	Transport
Body and hood	bearing	-	THR Bearings	transport lubricant
Body and hood	powerspring	spring	Coating material for springs	Transport
Body and hood	gear	-	THR's resin materials	transport lubricant
Body and hood	bearing	-	Purge pump bearing grease	Transport
Body and hood	bearing	-	Grease for THR motors	transport lubricant
Body and hood	viscous heater	bearing	grease	Transport
Body and hood (powertrain system)	O2 sensor	wire	Heat Shrink Tubing	Electronics and semiconductors
Body and hood (powertrain system)	VSV (Vacuum Switching Valve)	diaphragm	(FVMQ)	Transport
Body hood, body dashboard, instrument panel	Engine Control Unit	Electronic Components	resin	Transport
Body hood, body dashboard, instrument panel	Engine Control Unit	Electronic Components	adhesive	Transport
Body, hood, body, dashboard, instrument panel	Engine Control Unit	Electronic Components	resin	Transport
Body, hood, body, dashboard, instrument panel	Engine Control Unit	Electronic Components	adhesive	Transport
Body & Hood, Drivetrain & Transmission, Other (Marine)	stepper motor	Grease, bearing	grease	Transport
Body, hood, body, dashboard, instrument panel	Engine Control Unit	Electronic Components	resin	Transport
Body, hood, body, dashboard, instrument panel	Engine Control Unit	Electronic Components	adhesive	Transport
Body and hood, engine, etc. (two-wheeled, marine)	pressure sensor	O-ring	rubber	Transport
Engine, body and hood, etc. (chassis and brake booster, bi-wheeled, industrial and marine)	pressure sensor	Electronic Components	sealant	Transport
Body, hood, etc. (general-purpose engines)	Electronically controlled throttle body	bearing	grease	Transport
Body & Hood , Other (Marine)	stepper motor	bearing	grease	Transport
Body & Hood, Drivetrain & Transmission , Other (Marine)	stepper motor	Valves, valve retention, plates, holders	resin	Transport
Engine, body, hood, etc. (gasoline tank, gasoline tank area)	pressure sensor	filter	resin	Transport
Body, hood, etc. (under the passenger seat)	electric control unit	filter	resin	Transport
Body hood, body dashboard, instrument panel, others (car body frame, inside electrical box, two-wheeled, marine, general-purpose engine)	Engine Control Unit	Filters, Electronic Components	resin	Transport
Body Door	Door control switch	O-ring	fluoroelastomer	Transport
Body Door	Door lock switch	O-ring	rubber	transport
Body Door	Control switches (power window and sliding door switches, etc.)	connector	Resin parts (coating, insulator)	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	Resin parts (part that receives the slider of the encoder)	Electronics and semiconductors; transport
Body Door	Seat adjuster	Heater Worm	Additives in printed circuit boards	Manufacture
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	adhesive	Electronics and semiconductors; transport
Body Door	Position detection switches (door, tailgate, fueling lid open/close, etc.)	switch	painting material	Lubricants
Body Door	door handle	-	ink	Lubricants
Body Door	weather strip	-	lubricant	Transport
Body Door	molding	tape	ink	Transport
Body Door	weather strip	-	lubricant	Lubricants
Body Door	Weatherstrip Products	Glass sealing parts around door	FABRIC in glass run(PTFE)	Electronics and semiconductors
Body Door	Electronic Mirror	Lenses for Cameras	coating	Transport, Applications of fluorinated gases
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	adhesive	Lubricants; Electronics and semiconductors; transport
Body Door	door lock	actuator	grease	Lubricants
Body Door	door lock	switch	grease	Lubricants
Body Door	closer	-	grease	Lubricants
Body Door	windshield	molding	lubricant	Lubricants
Body Door	door mirror	motor	fluoroelastomer	Additive
Body Door	Sliding door lock	Latch Release Gear	grease	Lubricants
Body Door	Sliding door lock	Actuator release clutch	grease	Lubricants
Body Door	center pillar	molding	lacquer	Transport
Body Door	Electronic Mirror	lens	AR Coating	Lubricants
Body Door	sliding door	Protector cover for harness	lubricant	Transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	base	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	base	Electronics and semiconductors
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	grease	Transport, Lubricants
Body Door	Weatherstrip Products	Glass sealing parts around door	Oil (lubricant) in glass run	Transport
Body Door	sliding door	Upper roller O-ring	rubber	Transport
Body Door	power back door	Ring of Tube	rubber	Transport
Body Door	Power window motor	air-conditioning pipe	Waterproof filter	Transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	coating	Electronics and semiconductors
Body Door	sliding door	Roller assembly	lubricant	Lubricants
Body Door	door frame	molding	lubricant	Lubricants
Body Door	sliding door	center protector	lubricant	Transport
Body Door	sliding door	rail	lubricant	Transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	coating	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	grease	Lubricants
Body Door	door handle	-	lacquer	Transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport

Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	grease	transport lubricant
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	Resin parts (sliding electronically supported encoder)	Electronics and semiconductors; transport
Body Door	power back door	Ring of joint	coating	Transport
Body Door	Power slide door latch	-	plastic	Transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	coating	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	coating	Lubricants; Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	grease	Electronics and semiconductors
Body Door	door mirror	motor	fluoroelastomer	Lubricants
Body Door	Weatherstrip Products	Glass sealing parts around door	Oil (lubricant) in glass run	Transport
Body Door	sliding door	Roller assembly	lubricant	Transport
Body Door	door mirror	motor	fluoroelastomer	Lubricants
Body Door	rear door	wire	lubricant	Lubricants
Body Door	sliding door	Protector cover, base	lubricant	Lubricants
Body Door	Door Handle Frame	molding	lubricant	Transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	grease	Lubricants
Body Door	Weatherstrip Products	Glass sealing parts around door	Coating (surface treatment) during glass run	Electronics and semiconductors; transport
Body Door	door lock	latch	grease	Transport
Body Door	Front door lock	inner cable	grease	Transport
Body Door	door lock	lever	lacquer	Lubricants
Body Door	door closer	molycote paste	grease	Transport
Body Door	Glide Door Closer	Motor Gear	lacquer	Lubricants
Body Door	Glide Door Closer	cable	grease	Lubricants
Body Door	window	regulator	grease	Transport
Body Door	window	spring	lacquer	Transport
Body Door	window	mollycote	plastic	Lubricants
Body Door	door handle	Frame, bellcrank	grease	Transport
Body Door	door handle	screw	coating	Transport
Body Door	sliding door	stopper	lacquer	Transport
Body Door	sliding door	Roller stopper, collar	plastic	Transport
Body Door	Door check assembly	Rubber, Cushion	plastic	Lubricants
Body Door	power sliding door	cable	grease	Transport
Body Door	power sliding door	Clutch Shaft	lacquer	Lubricants
Body Door	power back door	Tube,	lacquer	Lubricants
Body Door	Sliding door rail	Washers, Packing	lacquer	Transport
Body Door	Sliding door rail	protector	lubricant	Transport
Body Door	molding	-	lubricant	Transport
Body Door	Door window regulator	bracket	lubricant	Transport
Body Door	door lock	ratchet	lacquer	Transport
Body Door	Weatherstrip Products	Glass sealing parts around door	Coating (surface treatment) during glass run	Transport
Body Door	Position detection switch (e.g., to detect seat position)	switch	Resin parts (slider)	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	grease	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	painting material	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	tape	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	Resin parts (film)	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	capacitor	Resin parts (creep-up preventing agent (Teflon))	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	Resin parts (insulators)	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	Resin parts (sliding electronically supported encoder)	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	tape	Lubricants; Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	grease	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	painting material	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	painting material	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	coating	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	coating	Transport
Body Door	Wind regulator switch	pusher	U-polymer resin	Transport
Body Door	Wind regulator switch	knob	Acrylic paint	Transport
Body Door	door mirror	Lubricating grease	Polyalphaolefin (PAO) grease	Electronics and semiconductors
Body Door	Position detection switch (e.g., to detect seat position)	switch	grease	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	sensor	painting material	Electronics and semiconductors; transport
Body Door	Position detection switches (door, tailgate, fueling lid open/close, etc.)	switch	painting material	Electronics and semiconductors; transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	base	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	base	Electronics and semiconductors; transport
Body Door	Wind regulator switch	tact switch	PA9T Alloy Resin	Metal plating and manufacture of metal products
Body Door	door mirror	screw	Adhesive EP	Consumer mixtures
Body Door	door lock	Paul.	coating	Lubricants
Body Door	door lock	Cable ASSY	grease	Lubricants
Body Door	door lock	control switch	grease	Lubricants
Body Door	door closer	ratchet	coating	Lubricants
Body Door	Sliding door closer	cable	grease	Lubricants
Body Door	Remote Control Door	locking link	grease	Lubricants
Body Door	door window	regulator	grease	Lubricants
Body Door	door handle	bush	plastic	Transport
Body Door	door handle	screw	adhesive	Transport
Body Door	door hinge	pin	plastic	Transport
Body Door	door hinge	bush	coating	Transport
Body Door	glide door	arm	plastic	Transport
Body Door	sliding door	roller	plastic	Transport
Body Door	-	roller plate	plastic	Lubricants
Body Door	sliding door	driven cable	grease	Transport
Body Door	sliding door	driven cable	rubber	Transport
Body Door	power sliding door	belt pulley	plastic	Lubricants
Body Door	Sliding door lock	motor	grease	Electronics and semiconductors
Body Door	power sliding door	sensor	rubber	Transport
Body Door	power back door	driven motor	lubricant	Transport
Body Door	power back door	Brackets, spindles	grease	Transport
Body Door	power luggage door	-	adhesive	Transport
Body Door	Power holding door check plate	bush	plastic	Transport
Body Door	PowerSlide	screw	grease	Transport
Body Door	sliding door	Bracket pins	coating	Transport
Body Door	sliding door	Rail pins, screws and garnishes	coating	Transport
Body Door	rear door	Actuator Body	coating	Transport
Body Door	Control switches (power window and sliding door switches, etc.)	switch	base	Electronics and semiconductors; transport
Body Door	Position detection sensor (door position, door mirror angle, etc.)	switch	base	Transport
Body Door	Motor door lock assembly	switch	plastic	Transport
Body Door	door lock	actuator	plastic	Transport
Body Door	Sliding door lckoactuator	thermistor	plastic	Transport
Body Door	Door lock motors	thermistor	plastic	Transport
Body Door	Latch release actuator	motor	plastic	Transport
Body Door	Back door motor lock	thermistor	plastic	Transport
Body Door	Door closer assembly	thermistor	plastic	Transport
Body Door	Fuel Lid Motor Lock	switch	plastic	Transport
Body Door	Sliding door lock	remote control switch	plastic	Transport
Body Door	Remote Control Sliding Door Handles	Switched thermistor	plastic	Transport
Body Door	Sliding door lock	release motor	plastic	Transport
Body Door	door lock	motor	-	Transport
Body Trunk Lid	back door opener	sheet	PTFE Porous Membrane	Metal plating and manufacture of metal products
Body Trunk Lid	Luggage compartment	rock	grease	Transport
Body Trunk Lid	metal top luggage	upper link	plastic	Transport
Body Trunk Lid	metal top luggage	Link bushings	plastic	Transport
body seat	ADPS	Tantalum Chip Capacitors	ADPS, Tantalum chip capacitor (PTFE)	Electronics and semiconductors
body seat	Heated seats	adhesive	Seat heater unit (FKM)	Electronics and semiconductors
body seat	Position detection switch (e.g., to detect seat position)	switch	painting material	Electronics and semiconductors; transport
body seat	Control switches (power seat switch, etc.)	switch	grease	Lubricants; Electronics and semiconductors; transport
body seat	seat belt	Buckle assembly, Limit switch	lubricant	Lubricants
body seat	seat leg	-	grease	Lubricants
body seat	sheet	frame	grease	Lubricants

body seat	power seat	control	grease	Transport
body seat	sheet	seal	rubber	Transport
body seat	gear	rubber	-	Transport
body seat	Seat support pump	seal	rubber	Transport
body seat	Seat Support Connect Holder	seal	rubber	Lubricants
body seat	power seat	Motor mount chip	adhesive	Transport
body seat	Position detection sensor (seat position, angle of recliner, etc.)	sensor	Resin parts (sliding electronically supported encoder)	Electronics and semiconductors; transport
body seat	Power Reclining	Adjuster bushings	plastic	Transport
body seat	seat lifter	Arm bushings	plastic	Transport
body seat	Seat adjuster	-	plastic	Transport
body seat	solenoid	-	plastic	Transport
body seat	seat belt	buckle assembly	lubricant	Lubricants
body seat	Seat adjuster	Washers, brackets, ratchets, cables, pins	lacquer	Transport
body seat	power seat	Serrated bolt, regulator	lacquer	Lubricants
body seat	Reclining Gear	-	grease	Transport
body seat	Reclining Gear	-	lacquer	Lubricants
body seat	leg rest	link	grease	Lubricants
body seat	power seat	motor	grease	Transport
body seat	power seat	cable	lacquer	Transport
body seat	power seat	bush	lacquer	Lubricants
body seat	sheatelock	plate	grease	Transport
body seat	sheatelock	inner cable	lacquer	Transport

Other	ECU	connector	lubricating oil	Lubricants
Other	Car audio in general	deck (e.g. ship, tape, cassette, observation deck, etc.)	grease	Lubricants
Other	Car audio in general	deck (e.g. ship, tape, cassette, observation deck, etc.)	lubricant	Transport
Other	-	gasket	Fluorosilicone Rubber	Transport, Applications of fluorinated gases
Other	BT Antenna Cable	Wires, Cables & Harnesses	Coating/Insulator	Lubricants
Other	Car audio in general	deck	lubricant	Transport
Other	Car audio in general	ESCUTCHEON	grease	Transport
Other	Car audio in general	PROTECTOR	oil-repellent	Lubricants
Other	Car audio in general	deck	grease	Lubricants
Other	Car audio in general	deck	lubricant	Transport
Other	Fans of car audio in general	Labels	ink	Transport
Others (gasoline tank, gasoline tank area, two wheels)	pressure sensor	Electronic Components	sealant	Transport
Engine, Other (Marine)	pressure sensor	O-ring	rubber	Transport
Engine, Drivetrain Differential, Other (Marine)	Temperature sensor	O-ring	rubber	Transport
Engine, other (two-wheeled)	rotation sensor	O-ring	rubber	Transport
Engine, other (two-wheeled, marine)	Pressure sensor with temperature sensor	O-ring	rubber	Transport
Engine, Drivetrain Differential, Other (Marine)	Temperature sensor	O-rings, wires	rubber	Transport
Engine, other (gasoline tank, marine)	pressure sensor	O-ring, sealing material	rubber	Transport
Engine, Other (Marine)	Flywheel ACG	power cable	resin	Transport
Body & Hood, Drivetrain & Transmission, Other (Marine)	stepper motor	Grease, bearing	grease	Transport
Body, dashboard, instrument panel, others (windshield)	electronic toll collection system	Electronic Components	rubber	Transport

Engine, other (two-wheeled, marine)	Pressure sensor with temperature sensor	adhesive	adhesive	Transport
Engine, other (two-wheeled, marine)	Pressure sensor with temperature sensor	Electronic Components	sealant	Transport
Engine, other(chassis, brake booster, gasoline tank, gasoline tankarea, two-wheeled, marine, general-purpose engines)	pressure sensor	O-ring, sealing material	rubber	Transport
Engine, other (two-wheeled, marine)	injector	O-ring, sealing material	rubber	Transport
Engine, other (two-wheeled, marine)	Pressure sensor with temperature sensor	O-ring	rubber	Transport
Engines and others (two-wheeled vehicles, industrial machinery, industrial pumps)	fuel pump	Sealant, O-ring	rubber	Transport
Engine, other (two-wheeled, marine)	Pressure sensor with temperature sensor	Electronic Components	sealant	Transport
Body & Hood , Other (Marine)	stepper motor	bearing	grease	Transport
Engine, Other (Marine)	Flywheel ACG	O-ring	rubber	Transport
Body & Hood, Drivetrain & Transmission , Other (Marine)	stepper motor	Valves, valve retention, plates, holders	resin	Transport
Body hood, body dashboard, instrument panel, others (car body frame, inside electrical box, two-wheeled, marine, general-purpose engine)	Engine Control Unit	Filters, Electronic Components	resin	Transport
Body hood, body dashboard, instrument panel, others (car body frame, inside electrical box, two-wheeled, marine, general-purpose engine)	Engine Control Unit	Electronic Components	coating	Transport
Engine, Other (Marine)	injector	backup ring	resin	Transport
Engines and others (marine and general-purposeengines)	starter	Holders, oil seals	resin	Transport
