REQUESTS FOR PRODUCTION

REQUEST FOR PRODUCTION NO. 1: Produce any and all documents (memoranda and/or other writings, including but not limited to books, pamphlets, or other written materials of any kind or character) in your possession, custody or control which would indicate that asbestos fibers, when inhaled, can be hazardous to the health of human beings.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents being produced herewith.

SECOND SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents labeled UTEX 000001 - 000327 which were produced with its First Supplemental Responses to Plaintiffs' Requests for Production, and to the documents labeled UTEX 000328 - 001166 which are being produced herewith.

REQUEST FOR PRODUCTION NO. 2: Produce any and all documents (memoranda and/or other writings) in your possession, custody or control that in any way relate to the hazards of asbestos and/or airborne asbestos.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents being produced herewith.

SECOND SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents labeled UTEX 000001 - 000327 which were produced with its First Supplemental Responses to Plaintiffs' Requests for Production, and to the documents labeled UTEX 000328 - 001166 which are being produced herewith.

REQUEST FOR PRODUCTION NO. 3: Produce any and all documents in your possession, custody or control which were disseminated or published by any person, trade association or organization of any type and that contain information relating to the hazards of asbestos and/or airborne asbestos.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents being produced herewith.

SECOND SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents labeled UTEX 000001 - 000327 which were produced with its First Supplemental Responses to Plaintiffs' Requests for Production, and to the documents labeled UTEX 000328 - 001166 which are being produced herewith.

REQUEST FOR PRODUCTION NO. 4: Produce any and all documents that indicate and/or refer to in any way a decision and/or discourse related to ceasing the manufacture of asbestos-containing products by Defendant.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of

admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term “manufacture,” in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term. Defendant further objects to this Request on the grounds that it assumes facts not in evidence, namely that Defendant manufactured asbestos containing products.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents being produced herewith.

SECOND SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents labeled UTEX 000001 - 000327 which were produced with its First Supplemental Responses to Plaintiffs’ Requests for Production, and to the documents labeled UTEX 000328 - 001166 which are being produced herewith.

REQUEST FOR PRODUCTION NO. 5: Produce any photographs of asbestos products manufactured by Defendant in place or being used, fabricated and/or utilized.

RESPONSE: Defendant objects to this Request on the grounds that it is vague, ambiguous, overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term “manufactured,” in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term. FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant has no photographs responsive to this Request.

REQUEST FOR PRODUCTION NO. 6: Produce any actual warning signs, labels, or photographs of warning signs or other statements distributed with or placed on the packaging of asbestos containing products manufactured by Defendant at any time during the last fifty-five (55) years.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term “manufactured,” in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term. Defendant further objects to this Request on the grounds that it assumes facts not in evidence, namely that Defendant manufactured asbestos containing products.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant has no documents or items responsive to this Request.

REQUEST FOR PRODUCTION NO. 7: Produce any documents which indicate in any way that individuals claimed injury to their lungs as a result of exposure to asbestos containing products manufactured by Defendant.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term “manufactured,” in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term. Defendant further objects to this Request on the grounds that it assumes facts not in evidence, namely that Defendant manufactured asbestos containing products. Defendant further objects to this Request on the grounds that it is vague, and fails to specify with sufficient particularity the documents sought.

REQUEST FOR PRODUCTION NO. 8: Produce any documents, minutes or other notes or records from any meetings at which the hazards and/or potential hazards of asbestos were discussed by officers, agents, and/or employees of Defendant.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant has no documents responsive to this Request.

REQUEST FOR PRODUCTION NO. 9: Produce any and all documents, including invoices, shipping receipts, bills of lading, purchase orders, or other documents of a similar nature related to the sale, distribution, or purchase of asbestos-containing products from Defendant by Jones & Laughlin Supply Co.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. REQUEST FOR PRODUCTION NO. 26:

Any models, visual aids, experiments, documents or other writings or any items of demonstrative evidence prepared or preserved by you, your attorney, your experts, or any other person acting on your behalf that will or may be used in the trial of this lawsuit.

RESPONSE: Defendant further objects to this Request on the grounds that it is overly broad, and fails to specify with sufficient particularity the documents and tangible items sought. Subject to and without waiving this objection, Defendant will agree to exchange trial exhibits with Plaintiffs at an appropriate time before trial.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents being produced herewith.

SECOND SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents labeled UTEX 000001 - 000327 which were produced with its First Supplemental Responses to Plaintiffs' Requests for Production, and to the documents labeled UTEX 000328 - 001166 which are being produced herewith.

REQUEST FOR PRODUCTION NO. 27: Copies of all depositions of any person previously employed by you specifically including, but not limited to Defendant or Defendant's employees, representatives, or agents, taken in connection with any alleged asbestos exposure to asbestos containing products manufactured by Defendant.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term "manufactured," in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term. Defendant further objects to this Request on the grounds that it assumes facts not in evidence, namely that Defendant manufactured asbestos containing products.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant has no documents responsive to this Request.

REQUEST FOR PRODUCTION NO. 28:

Provide a copy of each and every document (including all reports, memos, photographs, statements and any material collected or acquired of any investigation, and all correspondence between Defendant and Defendant's insurer, and any reports, notes or any other documents regarding testing, examinations, inspections, or opinions related in any way to asbestos or any other communication from any individual or entity to Defendant, Defendant's insurer or any agent or representative of Defendant or Defendant's insurer concerning this incident or any injuries or disabilities allegedly resulting therefrom) in Defendant's possession or control, or that of Defendant's insurer, health insurer, disability insurer, liability insurer, or other insurer, relating to Defendant's claim or the investigation of this incident by Defendant, Defendant's insurer, or any individual or entity engaged for such a purpose.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is vague and ambiguous with respect to the terms "Defendant's claim" and "this incident."

REQUEST FOR PRODUCTION NO. 29:

Provide copies of any and all safety standards, regulations, rules or codes pertaining in any way to asbestos or inhalation of toxic fumes or substances, whether promulgated by government or private industry, or Defendant from 1940 to the present.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant has no documents responsive to this Request.

SECOND SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant refers Plaintiffs to the documents labeled UTEX 000328 - 001166 which are being produced herewith.

REQUEST FOR PRODUCTION NO. 30:

Provide a copy of any and all contracts and/or agreements of any kind (if oral, reduce the agreement to writing) made by Defendant to supply masks and/or other safety equipment to purchasers of asbestos containing products manufactured by Defendant.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term "manufactured," in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term. Defendant further objects to this Request on the grounds that it assumes facts not in evidence, namely that Defendant manufactured asbestos containing products.

FIRST SUPPLEMENTAL RESPONSE:

Subject to and without waiving the foregoing objections, Defendant has no documents responsive to this Request.

REQUEST FOR PRODUCTION NO. 31:

Provide copies of any and all documentation which in any way relates to the transport and distribution of asbestos containing products manufactured by Defendant.

RESPONSE: Defendant objects to this Request on the grounds that it is overly broad, unduly burdensome, and not reasonably limited in time or scope. Defendant further objects to this Request on the grounds that it seeks information that is neither relevant nor reasonably calculated to lead to the discovery of admissible evidence. Defendant further objects to this Request on the grounds that it is ambiguous and misleading with respect to the term "manufactured," in that the definition offered by Plaintiffs does not represent the commonly understood meaning of the term.
