Dear Administrator Pruitt,

On behalf of AJW, Inc. and the Institute of Clean Air Companies (ICAC), thank you for meeting with us on May 4, 2017 to discuss the successes of the American air pollution control industry and the opportunities and advancements to come. The ICAC member companies are grateful for the opportunity you offered to have an open dialogue with you. All were impressed by the productive nature of the meeting.

From my perspective, it was an extremely successful and valuable meeting, and we hope to be a resource for you going forward. The ICAC membership has already begun to work on a plan for next steps. Shortly, you will receive a note from Michael Corvese, President of the ICAC Board of Directors, on the actions that ICAC is undertaking in response to the items discussed at our meeting.

We look forward to continuing the discussion.

Kind regards,

Christopher Hessler

AJW, Inc.

It was a pleasure meeting you, and I'm looking forward to what we can do together.
