**Subject:** Reorganization OEJ/OECA in EPA Office of Policy

Good Afternoon,

You had mentioned Office of Environmental Justice has now moved within the Office of Policy. As a faith-based ordained leader, I would like to discuss with other faith-based leaders, such as headquarters, regional offices, private entities, NEJAC/or the Federal Inter-Agency Environmental Justice Work Group has worked collaboratively on the below initiatives from September 2016 to present. This includes giving a brief outline how EPA and Inter-Agency Work Group will collaborate in the future from a "rule of law" or policy perspective being implemented/or modified?

Please provide case studies already funded/or ended in the last year.

### **Civil rights and environmental justice compliance plan**

#### ***Applies to recipients of federal funding, public and private***

1. Describe what do you plan to do

2. Analyze benefits and burdens on all people

Statistical and anecdotal evidence

GIS mapping and demographics

Define standards to measure progress and hold officials accountable

3. Analyze alternatives

4. Include people of color and low-income people

5. Implement a plan to distribute benefits and burdens fairly and avoid discrimination: both intentional discrimination, and unjustified discriminatory impacts.

Cordially,
