ASBESTOS STUDY

(Letter P. S. Jurani-B. W. Culpepper 3/24)

As we discussed by telephone June 5, I have reviewed the summaries you sent regarding the study of possible asbestos-related x-ray findings.

The following employees should have an evaluation by a pulmonary disease specialist.

[REDACTED]

From your report, the following employees and pensioners do not need specialist evaluation, but should continue under your routine surveillance program.
