Dear Mr. Brown:

I should like to thank you for the check for \$35.00 which was received this morning.

Dr. David Cooper has been awaiting some records from New York on Mr. V. M. Norwood, and for this reason has been withholding his report. I called his office today, and if they do not receive the material from New York tomorrow they will send you a report which will be supplemented as soon as the material comes through.

Enclosed you will find the report of my findings.

Sincerely yours,

E. P. Pendergrass
