Subject: RE: Collaboration UPFAS - FFF: Documents uploaded

Dear all,
I just wanted to give a sign of life and many thanks for the uploads. I have started reviewing them. I try to take the DE commented versions, where available, and come back in some form next week. ([REDACTED] is on holidays in August).

BR,
[REDACTED]

Dear colleagues,

As mentioned in a previous mail, I just uploaded our documents on the hazard justification for ENV and HH on S-Circabc (<https://webgate.ec.europa.eu/s-circabc/w/browse/1f9b6c9f-a691-4910-8a76-2d2797df7b90>). Please keep in mind that these are working documents and some sections are only roughly outlined. The chapter on persistence, written by the Norwegian colleagues, is integrated in the document. We invite the other MS and ECHA to comment on these documents. However, ECHA can also start using these for the FFF restriction.

Best regards,

for the German CA
