I INSURING AGREEMENT

In consideration of the payment of the Certificate premium and in reliance upon the statements in the Declarations made a part hereof, the Company hereby indemnifies the Insured against ultimate net loss which is in excess of the total limits of all underlying insurance (hereinafter referred to as "underlying insurance") and which arises out of the hazards covered and defined in the underlying insurance as shown in Item 5 of the Declarations, but only up to an amount not exceeding the limit(s) shown in Item 6 of the Declarations.

Except with respect to premium; obligation to investigate, defend, pay costs and expenses incident to the same; amount and limits of liability; renewal agreement, if any; additional coverage provided by a discovery period provision; and any other provision contained in the immediate underlying insurance inconsistent with this Certificate, the provisions of such underlying insurance are hereby incorporated as part of this Certificate.

Regardless of the number of (1) Insureds under this Certificate, (2) persons or organizations who sustain injury or damage or (3) claims made or suits brought covered hereby, the Company's total limit of liability for loss excess of Underlying Insurance shall be limited to the amount stated in Item 6 of the Declarations of this Certificate as applicable to "each claim", "each accident" or "each occurrence"; provided, however, that the Company's liability shall be further limited, where and as applicable, to the amount stated in Item 6 as the Company's "aggregate" with respect to loss excess of the Underlying Insurance which occurs during the term of this Certificate.

II EXCLUSIONS

This Certificate does not apply:

(a) to personal injury, bodily injury or property damage arising out of the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants, or pollutants into or upon land, the atmosphere or any watercourse or body of water; but this exclusion does not apply if such discharge, dispersal, release or escape is sudden and accidental;

(b) to personal injury, bodily injury or property damage

(1) With respect to which an Insured under this Certificate is also an Insured under a nuclear energy liability policy issued by Nuclear Energy Liability Insurance Association, American Nuclear Insurers, Mutual Atomic Energy Liability Underwriters or Nuclear Insurance Association of Canada, or would be an Insured under any such policy but for its termination upon exhaustion of its limits of liability, or

(2) Resulting from the hazardous properties of nuclear material and with respect to which

(a) Any person or organization is required to maintain financial protection pursuant to the Atomic Energy Act of 1954 or any law amendatory thereof, or

(b) The Insured is, or had this Certificate not been issued would be entitled to indemnity from the United States of America, or any agency thereof, under any agreement entered into by the United States of America, or any agency thereof, with any person or organization;

(3) Resulting from the hazardous properties of nuclear material, if

(a) The nuclear material is at any nuclear facility owned by, or operated by or on behalf of, an Insured or has been discharged or disbursed therefrom, or

(b) The nuclear material is contained in spent fuel or waste at any time possessed, handled, used, processed, stored, transported or disposed of by or on behalf of an Insured, or

(c) The personal injury or property damage arises out of the furnishing by an Insured of services, materials, parts or equipment in connection with the planning, construction, maintenance, operation or use of any nuclear facility, but if such facility is located within the United States of America, its territories or possessions or Canada, this exclusion (3)(c) applies only to property damage to such nuclear facility and any property thereat;

provided that the words "property damage" include all forms of radioactive contamination of property.

As used in this exclusion

"Hazardous Properties" include radioactive, toxic or explosive properties;

"Nuclear Material" means source material, special nuclear material or by-product material;

"Source Material", "Special Nuclear Material" and "By-Product Material" have the meanings given them in the Atomic Energy Act of 1954 or in any law amendatory thereof;

effective date and hour of cancellation stated in the notice shall become the end of the certificate period. Delivery of such written notice either by the Insured or by the Company shall be equivalent to mailing. If the Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro-rata. Premium adjustments may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation. The Company may, however, cancel this Certificate absolutely on five (5) days notice for non-payment of premium due.

Notice shall be given by the Insured to the Company at One Liberty Plaza — 91 Liberty Street, New York, New York 10006, and by the Company to the Insured at the Insured's address as shown in the Declarations. Notice by the Company to the first Named Insured, if more than one, shall be deemed notice to any other interests included as an Insured.

5. Changes: Notice to or knowledge possessed by any person shall not effect a waiver or change in any part of this Certificate or estop the Company from asserting any rights under the terms of this Certificate; nor shall the terms of this Certificate be waived or changed, except by endorsement issued to form a part hereof, signed by an authorized representative of the Company.

6. Examination and Audit: The Company may examine and audit the Insured's books and records at any time during the term of this Certificate and thereafter as far as they relate to the subject matter of this insurance.

7. Loss Payable: The Company's obligation to pay any ultimate net loss and costs with respect to any accident or occurrence falling within the terms of this Certificate shall not attach until the amount of the applicable underlying limit has been paid by or on behalf of the Insured on account of such accident or occurrence.

8. Maintenance of Underlying Insurance: The limits of the underlying insurance shall be maintained by the Insured in full force and effect during the currency of this Certificate. Failure of the Insured to comply with the foregoing shall not invalidate this Certificate but in the event of such failure, the Company shall be liable only to the extent that it would have been liable had the Insured complied therewith. The Insured hereby agrees to promptly furnish the Company with a copy of the policy or policies of underlying insurance and renewals or replacements thereof including all endorsements attached thereto and to forward to the Company any subsequent endorsement to the underlying insurance which provides for any material change in coverage as described in Item 4 of the Declarations.

9. Notice of Loss: The Insured shall give prompt written notice to the Company of: (a) any accident or occurrence for which, without regard to liability, the value of injuries or damages sought as estimated by the Insured or, with the knowledge of the Insured, by the underlying insurer might result in a judgement sufficient to involve the Company's limit(s) of liability hereunder, (b) any accident or occurrence with respect to which the underlying insurer has notified the Insured that it has established a loss reserve equal to or greater than fifty (50) percent of said underlying insurer's limit of liability, (c) any cumulative incurred (paid and outstanding reserve) loss amounts, of which the Insured has been notified by the underlying insurer, totaling fifty (50) percent of the underlying aggregate limits where aggregate limits apply.

Such notice shall contain particulars sufficient to identify the Insured and also reasonably obtainable information respecting the date, time, place and circumstances of the accident or occurrence, the names and addresses of each party sustaining injury or damage and a description of such injury or damage. At no time shall the Company be called upon to assume charge of the settlement or defense of any claims made or suits brought or proceedings instituted against the Insured, but the Company shall have the right and shall be given the opportunity to associate with the Insured or its underlying insurer or insurers, or both, in the control, defense and/or trial of any claims, suits or proceedings which, in the opinion of the Company, involves or appears reasonably likely to involve the Company.

The Insured shall (a) cooperate with the Company and the underlying insurer or insurers in the control, defense and/or trial of such claims, suits or proceedings so as to effect a final determination thereof and (b) enforce any right of contribution or indemnity against any person or organization who may be liable to the Insured, because of liability with respect to which insurance is afforded under this Certificate and the underlying insurance.

10. Premium Computation: Premium due the Company for this excess insurance shall be that amount shown in Item 3 of the Declarations and is payable upon the effective date of this Certificate. The advance premium stated in the Declarations is a deposit premium only unless otherwise specified. Upon termination of this Certificate, the earned premium shall be computed in accordance with the rates and minimum premium applicable to this insurance as stated in the Declarations. If the earned premium thus computed exceeds the advance premium paid, the Insured shall pay the excess to the Company; if less, the Company shall return to the Insured the unearned portion in excess of the minimum premium stated in Item 3 of the Declarations paid by such Insured. The Insured shall maintain records of the information necessary for premium computation on the basis stated in the Declarations and shall send copies of such records to the Company at the end of the Certificate period, as the Company may direct.

11. Prior Insurance and Non Cumulation of Liability: It is agreed that if any loss covered hereunder is also covered in whole or in part under any other excess policy or certificate issued to the Insured prior to the inception date hereof, the limit of liability hereon as stated in Item 6 of the Declarations of this Certificate shall be reduced by any amounts due the Insured on account of such loss under such prior insurance.

12. Service of Suit: (not applicable in Connecticut, Delaware and New York) It is agreed that in the event of the failure of the Company to pay any amount claimed to be due hereunder, the Company, at the request of the Insured, will submit to the jurisdiction of any Court of Competent Jurisdiction within the United States and will comply with all the requirements necessary to give such Court jurisdiction and all matters arising hereunder shall be determined in accordance with the law and practice of such court.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefore, the Company hereby designates the Superintendent, Commissioner, or Director of Insurance or other officer specified for that purpose in the statute or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted in any Court of Competent Jurisdiction by or on behalf of the Insured, or any beneficiary hereunder arising out of this Certificate of Excess Insurance, and hereby designates T. Darrington Semple, Jr., Secretary, American Excess Insurance Company, One Liberty Plaza — 91 Liberty Street, New York, New York 10006, or his representative as the person to whom said officer is authorized to mail such process or a true copy thereof.
