Safety Officer,
University College London,
Department of Chemistry,
Gower Street,
LONDON, W.C.1.

Dear Mr. Emmerson,

Thank you for your letter of the 12th instant.

Since I talked to Professor Nyholm, I have been in correspondence with him and have arranged that Dr. S. Holmes, Secretary of the Asbestosis Research Council, will send him the information for which you ask.

I have today spoken to Dr. Holmes, who will send you copies at the same time.

Yours sincerely,

W. Blakey.
