Hey Scott,

Any word on this decision? Sorry to keep bothering you but I know that there are a lot of interested people.

Thanks,
Bill

Scott,

Attached is the Garrison Diversion memo that the firm put together. I think one of my colleagues gave you a copy about a month ago when they stopped by. It makes it clear that the State of North Dakota can build a pipeline to the McClusky canal and the Bureau of Reclamation can provide water from it. If you could follow up with the Solicitor office to confirm they agree it would be appreciated.

Thanks,

Bill
