Hi Jim—

If attributing, please attribute to “an EPA spokesperson:”

Yes, that was the first time.

Best,

Tricia

Tricia,

I want to include the Administrator's comments on WOTUS in my article for The Waterways Journal.

He mentioned "April" as timing for having a proposal ready. (That was during his exchange with Rep. Hudson.)

Was that the first time he has mentioned "April" in that context?

Not looking for a quote from you. Really just looking for guidance.

Thanks,
