I'll meet security on site at 2:30.

If you want to go by later this afternoon, I will need to get permission, as the facility we're having the meeting in is on private property.

I will be unable to stick around to the evening.

Clint,

Our flight was delayed again. If it works for you, we can go back to the original 2PM as our security team(copied here) is on the ground and can make that work.

Likely, I will go out later this afternoon just to get a feel for the location and then come over really early in the morning. Please let me know what is the earliest you can meet me tomorrow.

Thank you so much,

Millan

We will get in just before 2 so we should be able to do that, yes. Maybe even closer to 3.

Unfortunately, the Administrator will get in tomorrow morning so we really would be much more comfortable coming out this evening. I'm truly sorry about this.

Clint -- good morning. Our flight was cancelled out of DC this morning and surprisingly, the next one does not leave until 1220. May we move the walk-through to 4PM?

I am so so sorry about this. Kindly let me know if the new time should work for you.

Warm regards,

Millan

I will give you on Sunday a list of round-table participants and media planning to attend Monday's event. Are y'all planning to check names at the entrance of the property?

We are expecting 20 or so audience members, but they are only allowed if the organization they work for is serving on the panel. Confirming those names now.

Mr. Leach,

Good morning to you. Our advance and security team will be arriving in Charleston on the morning of Sunday, the 23rd. May we schedule a time to set up a walk-through of events for late that morning?

The address I have is 4460 Five Chop Road, Cameron, SC 29115. Is that correct?

Thank you so much,
