Bob Hammann issued the injury rate performance history (attached) and confirmed that the plant should be at the level of 1980. Bill Howe discussed quarterly competitive inspection and publicity to be generated. Rules will be explained at an expanded staff. The schedule will be as follows:

1. Expanded Staff - Feb. 28 (week of)
2. Plant News - March 7 (week of)
3. Bulletin board announcement - Feb. 21 (week of) and March 14 (week of) as appropriate
4. Marquee - Main gate and west gate - March 10 (week of)
5. Hourly paycheck insert - Hold for second quarter
6. OSC, PTSC & HSC after expanded staff presentation

Monty Santo will become the new symbol for the quarterly inspection and will be used on all messages and publicity. Examples attached.

Discussed the award (plaque) to be used. Bronze plaque ($600/ea.) is proposed.

P-Bulletin status (Hammann) - Three will be issued by next week. The general permit procedure will be revised by end of next week.

Bill Latimer, with the help of the Office Safety Committee, will determine our need and approach to the drug and alcohol abuse program.

The PT Safety Committee will assist Baca with the contractor safety program.

Hammann related that we are not complying with the OSHA (and P-Bulletin) rule regarding oxygen cylinder storage. Hammann will issue a SHAC alert.

Hammann is making a study of portable building location and will ask SHAC to assist in assessment of any changes necessary.

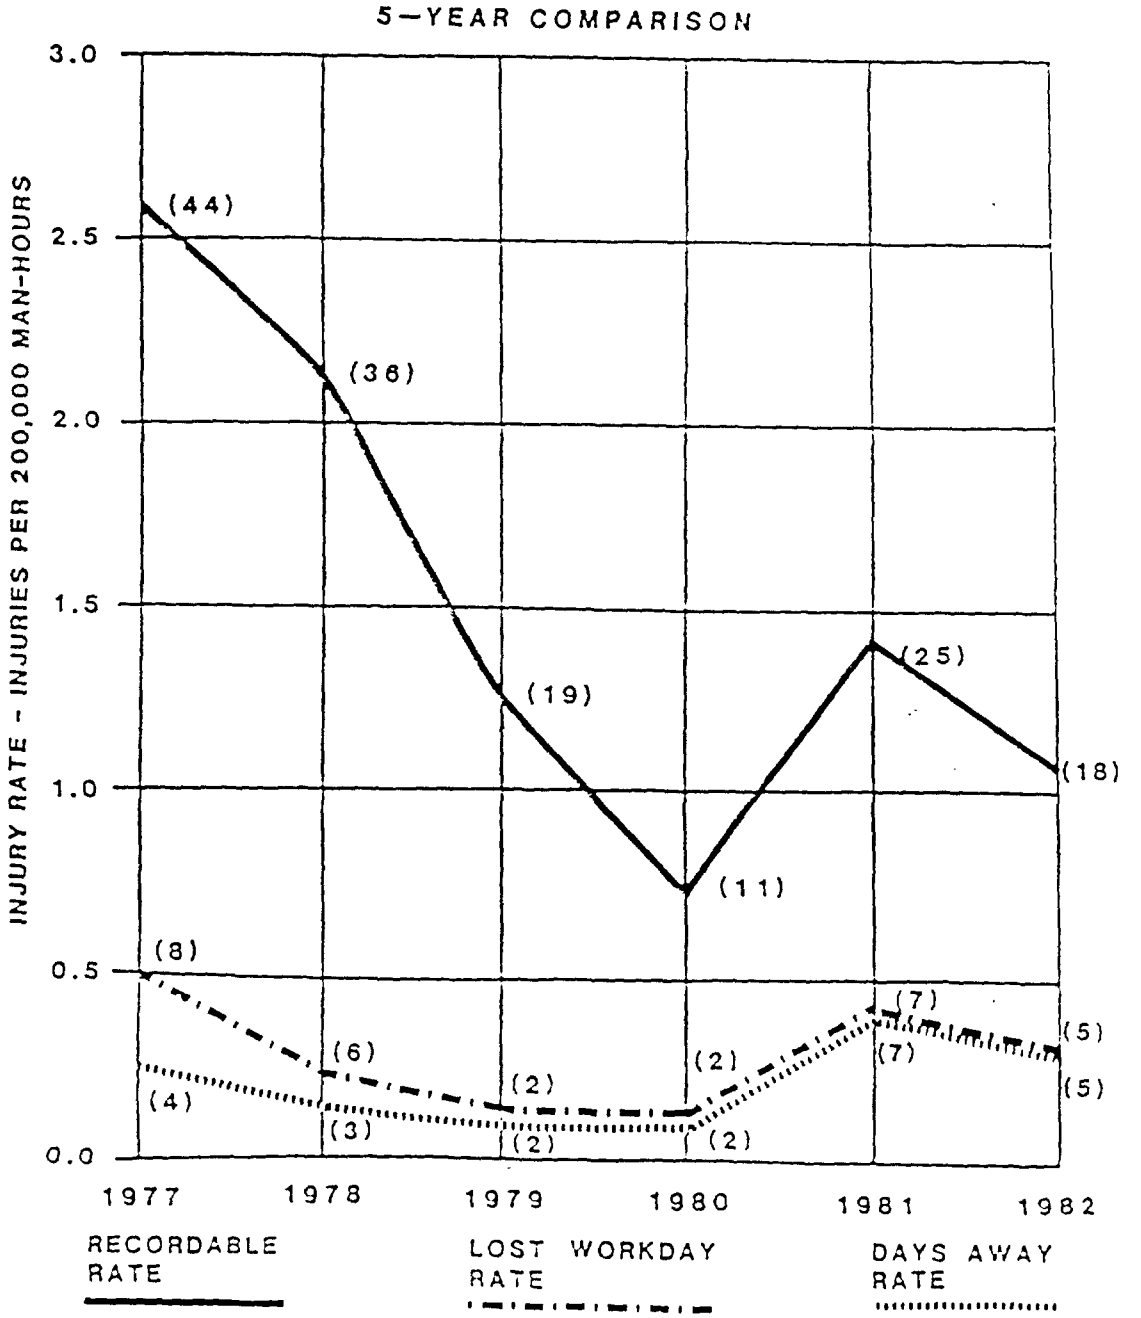

Nitrogen backup for plant air can be a potential problem area. S&PP is questioning our management of this practice. Hammann is making a survey and SHAC will address this issue.
