Coating and Laminating of Material
for Plant 4 Orders

May 8, 1968

H. Mathia

We are still experiencing great difficulty in getting laminated and coated material back to Plant 4 from Chicago. All these jobs are current, past due or will very shortly become current.

Attached please note some of dates material sent to Chicago and still have not been returned to us.

Bob McElroy

*Bill - You'd better send Steve
this is approx. organization chart

Letter to H. Mathia

* Indicates second time requests have been made from Plant 4.
We must have this material returned to us as soon as possible.
We will cooperate in every way we can to help you expedite
these orders.

Thank you,

Steve Cerve
