Rob,  
OCSPP is not the lead office for this product. ORD has the lead. I'm looping in Richard Yamada, the DAA in ORD, who may be a better audience for your input.

Regards,  
Nancy

Nancy and Erik:

On behalf of the Synthetic Turf Council, the Safe Fields Alliance and the Institute for Scrap Recycling Industries, I respectfully ask for a call with you this week to discuss the pending report to be issued by EPA regarding crumb rubber athletic turf. I understand this a busy travel time for all of us in DC, but hope you can accommodate us?

Thank you for your consideration and please let me know when might work. --rob
