RE: v. Contract Transportation/
Sherwin-Williams and ESIS
Claim No.
D/A: 12/06/85

Dear Mr. Owens:

Enclosed you will find a copy of correspondence I have received from Dr. MacNabb regarding the relationship of the claimant's treatment for a lymph node to his stroke of December 1985. You will see that Dr. MacNabb concludes that it is "doubtful" that the two are related. Therefore, we should not be responsible for any of the medical treatment received by the claimant for the lymph node problem. I will notify the claimant's attorney that we will not be responsible for this treatment.

Very truly yours,

DREW, ECKL & FARNHAM

David A. Smith
