The regular weekly SHAC meeting was called to order by Jim Gatewood on Wednesday, March 20, in the VIP conference room.

PMSB

Jim reviewed with the committee the proceedings of the PMSB. Of particular concern was the plant's procedure for bypassing interlocks. J. Gatewood, M. Riddle and R. Coleman will visit the Chocolate Bayou plant to review their procedure. R. Hammann will contact the Pensacola plant and review their procedure and report at the next meeting.

Safety Gaol Sign - Space Shuttle Motif

Don Jordan plans to have all signs completed by 3/22. Signs will be erected on 3/25. D. Barfoot reported that NASA space shuttle astronaut Steve Nagel may be able to participate in a safety publicity campaign in October 1985, depending upon his flight schedule.

First Quarter Safety and Housekeeping Awards

Award ceremony is scheduled for 0800 on 3/22.

1984 Safety Award Order Forms

Some order forms are still outstanding.

Weekly Safety Slogan

"Safety is No Accident" by W. E. Repschleger.

Second Quarter Safety and Housekeeping Inspection

Emphasis areas will be -

- AVIP status
- Interlock by-pass procedure
- Effectiveness of communications on HHMA study at Texas City
- Laboratory vent hood air velocity setting

Timing - April 9 - 19

Teams - Most general superintendents will not be available to participate and may be replaced by superintendents. Team members and assignments will be announced by D. Barfoot at a later date.

First Quarter S & H Inspection Feedback

All operating units have responded. Need feedback from maintenance, QA lab and office services.

Safety Exposition

April 1st and 2nd. If "off the job" safety is addressed in this exposition SHAC may want to attend. D. Barfoot proposed that more information be obtained. R. Coleman will contact M. Riddle and report at the next meeting.
