March 5, 1981

Mr. R. F. Hall, Agent
Western Weighing & Inspection
Bureau
Room 314, Union Station
Houston, Texas 77002

Dear Mr. Hall:

Attached is a list of vinyl chloride shipments that were made during the period from December 6, 1980 through January 5, 1981 to Aberdeen, Mississippi. This traffic moves at the annual volume rates authorized in Items 2325 and 755 of SWL 4615.

The use of this arrangement is dependent upon the shipment of at least 50,000 tons during the 12-month period beginning March 6, 1980 and ending March 5, 1981.

Shipments for our annual period are as follows:

	<u>POUNDS</u>	<u>TONS</u>
March	22,203,576	11,101.788
April	20,425,216	10,212.608
May	17,052,388	8,526.194
June	9,266,717	4,633.359
July	16,521,317	7,276.204
August	14,552,408	7,276.204
*September	30,004,904	15,002.454
October	22,231,563	11,115.780
*November	31,414,861	15,707.430
December	30,369,290	15,184.645
TOTAL	214,042,240	106,036.666

*Adjusted to indicate freight bills not included in previous monthly report. Adjustments:

September 177,647 lbs.
November 709,679 lbs.

Yours very truly,

G. R. Watson
Director-Petrochemical Traffic
Surface Transportation Department
