Hello Mimi,

Thank you for your patience on this request. We've had some changes to our scheduling team so wanted to let you know that I will be handling this moving forward. In looking at the calendar would early afternoon of Sept. 29 work for you? Say 1:30PM? Please let me know if that works and I will send additional arrival details.

Thank you!

Subject: Meeting Request with Administrator Pruitt

Good afternoon Madeline and Ryan- Ryan as a follow up from our discussion at the ATR dinner, I am writing to both of you to request a meeting with Administrator Pruitt on behalf of Graeme Burnett, SVP of Fuel Optimization for Delta Air Lines and Chairman of the Board for Monroe Energy (a wholly owned subsidiary of Delta Air Lines) and Jeff Warmann, CEO of Monroe Energy. They would like to discuss the Renewable Fuel Standard (RFS), and Delta/Monroe's suggestions to fix the RIN market. As the Administrator may recall, Delta purchased a refinery in Pennsylvania in 2012. We are a merchant refiner, and must turn to the RIN market to comply with the RFS. For 2016, our compliance costs were greater than the purchase price of our refinery. We would love to have the opportunity to share our ideas on how to fix the RIN market to make the RFS a better program.

Does the Administrator have any availability on:

Sept. 15- morning

Sept. 25

Sept. 26

Sept. 29-afternoon

Please let me know if you have any questions, or require any additional information. Thank you for your consideration.

Mimi
