Q Back in the '70s did you know that mesothelioma is most likely caused by exposure to asbestos?

A I did not.

Q Did you know in the decade of the 1980s that mesothelioma is most likely or more likely than not caused by exposure to asbestos?

A I have no recollection of that at all.

Q During the course -- I guess of your practice, do you receive medical publications?

A Yes.

Q And you try to keep up with what is going on in medicine?

A I do.

Q And throughout those 10 years in the '80s you saw something to do with asbestos and mesothelioma?

A Not until the -- I would say about three years ago, two or three years ago.

Q 1993?

A '93.
