Aurelia

I wanted to follow-up on our discussion about a visit to Liberty National. We are hoping to schedule such a visit for next Friday, December 1st or during the week of December 4th. Please let me know if there is a date in that range that works for you.

Here is some information responding to points you raised when we spoke earlier this week:

- Nevins and I are working on an agenda. In general, we think that the trip should include a tour of the peninsula property as well as Liberty National followed by meetings with those in attendance to discuss Liberty National's proposal in more detail. Please let me know what you think;
- We would like to invite the NPS regional leader on the project to attend. I will get back to you shortly on who that is;
- We will invite John Gray of the NJ DEP, as well as any other DEP staff needed to discuss the RFP, to participate; and
- We also will invite member of the NJ congressional delegation.

Also, NJ just issued its RFP for the peninsula property. You can see it here:

Just click on Request for Proposal posted 11/21/17.

Thanks, and have a great Thanksgiving!

Attached is a draft itinerary for the visit we discussed to Liberty National. Please take a look and let me know if you would like me to make any changes to the document. I'm also happy to discuss.

Thanks a lot.
