Hey Mary Jo,

Thank you for following up! I just don't think we will be able to fit anything in on Thursday. The schedule is really tight. So sorry we couldn't see you all while you're in town!

Best,

Sydney

Sydney,

White House staff has said that if it's more convenient for the Administrator to meet with our group, at the White House, following the NEC meeting, they'd be happy to provide meeting room accommodations. Otherwise, we can come to you!

Hi Mary Jo,

I have no idea how I missed your first email! I am so sorry! Checking on this request now. Might be COB before I can get back to you. This week has been in flux quite a bit.

Thanks!

Good morning, Sydney,

We have scheduled a meeting with Gary Cohn, Ray Starling and other NEC staff at the White House at 5:00p on Thursday afternoon, April 27, with several members of CropLife America's Executive Committee (a leadership subgroup of our Board of Directors). It should be finished by 5:30 or 5:45p.

Jay Vroom asked me to reach out to you to see if it might be possible to bring this small group (5-6 people or less) by the Administrator's office after that meeting, to say a brief hello and introduce these ag leaders.

Thank you for considering our request. If you need more information, don't hesitate to contact me.

I look forward to hearing from you.
