

(Drislane - Purcell)

1 MR. PURCELL: HH will be a single document,  
2 just Mr. Drislane's cover letter to the Asbestos Study  
3 Committee.

4 MR. FRIESTEDT: II is, does it have a date on  
5 it?

6 MR. PURCELL: No. I will ask the witness if he  
7 can identify a date, if he can.

8 MR. FRIESTEDT: I'm just trying to clarify what  
9 we are looking at.

10 MR. PURCELL: Sure.

11 BY MR. PURCELL:

12 Q Are you able to give us a date of that report?

13 A This is a report that was prepared for the annual  
14 meeting. The chairman of committees always make these  
15 reports up for the committee so it was given to the  
16 membership at a June meeting. Now, I don't see any dates  
17 inside here, but it would have been the June '73 meeting or  
18 June 1974 meeting, whenever Ike was chairman of the  
19 committee. I'm looking for a date in here to try to figure  
20 out when it might be. But it's pulled from the report folder  
21 at one of those June meetings.

22 Q Okay.

23 A I can't tell you which one.
